# Custom Cakes

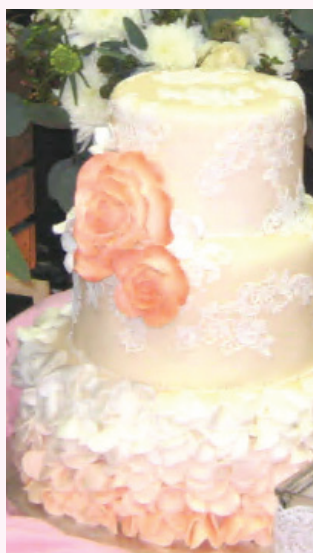

## Free Wedding Cake Consultation

# Wedding Cakes

Roth's custom wedding cakes are works of art made just for your wedding. Whether they're traditional in shape or more fashion-forward with bold polka dots and dramatic damask. Our bold, modern creations push the boundaries of traditional custom cakes into that dangerous "too incredible to eat" category... when in reality the cake underneath all of that buttercream and moulding chocolate is the best part!

Visit our online  
Cake Photo Gallery
